Capabilities Statement

Strategic Defense Solutions (SDS) specializes in analytical services at the strategic and operational levels for military planning & tactical support. We provide our clients with personnel support and innovative program solutions. Our current and previous contracts have been largely in support of the **Department of Defense (DoD)**: the Pentagon's Joint Staff, United States Central Command (USCENTCOM) and United States Special Operations Command (USSOCOM) headquartered in MacDill AFB, Tampa, FL but support throughout the Continental US and the Middle and Southeast Asia, United States Africa Command (USAFRICOM), in Stuttgart, Germany, Department of the Air Force Specialized Management Division for contractual, IT and base services on Warner Robins AFB, GA, Department of Army III Corps in FT. Cavazos, TX, Department of the Army Distributed Learning (DL) for the Army University IT support from FT. Eustis, VA, and the Department of the Army Medical Center of Excellence (MEDCoE) providing tactical level training support on Joint Base Sam Houston, TX. Our support for the **Department of Homeland Security (DHS)** Transportation Security Administration (TSA) headquartered in Arlington, VA with support throughout the US and its territories. SDS has provided these analytical services for technical programs/activities since 2006 and continues in 2025. Our senior project and program managers actively provide analysis and recommendations to government decision makers from combatant commanders and program directors to the highest levels of multiple federal agencies and the White House.
